

## Assistant Product Manager, Channels

### Who We Are

Cuscal is the largest independent provider of payment solutions for the Australian financial services sector. Cuscal and its predecessors have been operating in Australia since the 1960s.

We partner with mutuals, banks (large and small), fintechs and corporates, who provide payment services to their clients, and we enable them to implement the best payments systems for their needs.

Cuscal's vision is enabling the future. We are committed to working behind the scenes for the success of our clients, through relevant and innovative digital and payment solutions.

At the heart of our business model is partnership and trust. We demonstrate this through our products, our services, and our relationships with our clients.

### The Opportunity

We are looking for two Assistant Product Managers to join and support our Channels Team. In this role, you will be assisting with the management of product and service lifecycle and analysing financial and market data.

- ❑ Support end to end product management including management of competitor insights and portfolio analysis/performance, across target internal and external customer segments
- ❑ Manage and report product profitability to ensure it meets budget expectations and provide recommendations
- ❑ Develop and refine product/project concepts into business requirements/cases
- ❑ Produce and present reports to stakeholders on the current and emerging trends in the market
- ❑ Respond to audit issues in an appropriate and timely manner

*There are two opportunities available for this role, permanent and a 12 month fixed term contract.*

## Who You Are

The ideal candidate for this role will have:

- ❑ Minimum 2 years' experience in a similar role
- ❑ Extensive stakeholder management experience
- ❑ The ability to work in a fast-paced environment
- ❑ Excellent written and oral communication skills
- ❑ Demonstrable experience in interpreting product management data, financial data, and market data
- ❑ Proficiency in the Microsoft Office suite

## Why Cuscal?

We are in the rapidly evolving world of payments, and at Cuscal we like to ensure that our employees are supported and motivated to succeed. Here are some of the benefits our employees enjoy:

- ❑ Financial Fair Go and Employee support programs that offer personal and financial advice
- ❑ 'Cuscal Advantage', discounted services to use in your day-to-day
- ❑ A culturally rich and diverse demographic in the workplace

To apply for this role please email your CV to [careers@cuscal.com.au](mailto:careers@cuscal.com.au) with the role you are applying for as the subject line. Due to the high volume of applications that we receive, we will only reach out to shortlisted candidates.
